

Mountains of Hope

Final Mini-grant Summary 2018-2019

Group/Organization Implementing Project: Grant County Health Department

Name of Project: Grant County Mountains of Hope Travel Assistance

Project Coordinator: Sandria Glasscock

- **Project** – The Grant County Mountains of Hope Travel Assistance project will address the barrier to care for cancer screening and /or treatment for the residents of Grant County by the provision of financial travel assistance.
- **Aim(s) addressed:**
 - Aim 20 – Improve the quality of life for cancer survivors in WV.
- **How many people were reached:** 7
- **Evaluation method:** number of people reached, pre/post test
- **Evaluation results:** Travel funding helped 7 residents with cancer tremendously. They reported that this helped them focus on their care more than worrying how to cover cost of travel. They also were able to ask friends/family to assist with transportation and could cover their cost
